

Town Hall Meetings

Donations from the OneOrlando Fund will directly benefit the victims' families and the survivors. The town hall meeting were an opportunity to provide feedback and input on the distribution of the OneOrlando Fund.

Two town hall meetings were conducted by the Fund Administrators to explain the contents of the draft Protocol and the claim submission process and to invite input and comments from potential claimants and the general public. Information collected from these group meetings and various communications and correspondence between the claimants and other interested parties and the Fund Administrators have been considered in finalizing the Final Protocol.
